# STORE LEVEL ACCESS GUIDE

## WELCOME

Welcome to the Stingray Business Management Interface store level access guide. This online control site puts the power back into your hands, giving you full control over the content you decide to share with your clientele in an easy and timely manner. Our dedicated team continuously works on updating this tool to reflect your changing business needs and to provide you with the best possible service.

## ACCESSING THE MANAGEMENT INTERFACE

### CREATING YOUR USER ACCOUNT

Please contact the Stingray Business Support team at **1.888.685.2486** or email them at **businesssupport@stingray.com** to have your user account created in order to access the Management Interface.

### LOGGING IN

1. Visit <http://cs.business.stingray.com> and enter your registered email and password.
2. Click on Login.

\*Please note that you can access the Management Interface from any PC, Mac or mobile device web browser.

Your Management Interface home page should look like this.

### Login

If you require a password reset, enter your email in the "Email" labelled field and select "Forgot password". An automated email will be sent containing your temporary password.

# YOUR MUSIC AND VIDEO STATIONS AT A GLANCE 3

---

If your speakers and/or TV are hooked up and your players have an active internet connection, then it looks as though you are ready to give this new in store experience a shot. To get rolling, all you need to do is to select your desired music station and the location you want it to play at. Ta dah!

**Once you've logged in, this is what you should be seeing.**
